

Thursday - 29 November 1951

1. Delivered to the Bureau of the Budget CIA comments on the necessity for the extension of certain statutes which will automatically terminate upon the ratification~~x~~ of the treaty of peace with Japan.

STATINTL

STATINTL 2. Informed Miss Leonard, of the office of Congressman Ayres, that [] discharge was on medical grounds as it was felt he was not qualified medically to hold a position with CIA. She informed me that [] had sent for [] and had "bawled him out" for taking the matter to his Congressman. I assured Miss Leonard that such was not the Agency view and that I would take personal steps to see that there would be no further recurrence in this type of case. Informed [] of the office of AD/Personnel, and requested him to pass the word along that in this type of case personnel who take their problems to their Congressmen should not be reprimanded.
